**WE EXTEND A VERY WARM WELCOME
TO THE REV'D JEFFRY KENNEDY!**

SUMMER CLERGY: The Rector will be on vacation from July 2-July 24, and from July 30-August 7. The Rev'd Jeff Kennedy will be taking Sunday services in his absence. The Rev'd Kennedy was our interim priest from the fall of 2015 to the spring of 2016, following the retirement of the Rev'd David Burrows. The Rev'd Kennedy said recently that he is excited about returning to the parish this summer. He doesn't typically take summer services but he made an exception for St. Olave's because the parish is a "very special place." For all pastoral care concerns during the Rector's absence, please contact our summer student, Robb Sykes, at robb.sykes@mail.utoronto.ca or (416) 801-7627.

THE FLOWERS ON THE ALTAR are to the Glory of God, in memory of a wonderful Mom, Ruth Allen, lovingly remembered by the Allen family.

LEMONADE ON THE LAWN: Visitors and parishioners, please join us on the lawn after the 10:30 a.m. service for fellowship and light refreshments. Thank you to Annis Tebbutt for hosting this morning.

WE'RE CLEANING UP!

This summer the Wardens will be working with our caretaker to restore the Wardens' Vestry (the room to the right of the organ) into a highly functioning, pleasant space. This room serves many purposes:

- a meeting space for church groups and user groups
- storage for the Altar Guild, sacraments and other special worship items
- storage for our South Sudanese brothers' and sisters' worship items
- storage for honorary assistants' robes
- music storage
- an extension of the worship space after communion
- unfettered access to an emergency exit

By reorganizing the room we hope to improve its flexibility as a meeting space, create more efficient storage and even introduce new uses for it (such as a space for bereaved families to gather or for couples to sign a wedding registry).

A plan has been approved by Advisory Board to achieve these goals by:

- replacing the two long tables with one medium-sized, expandable table (one of the two existing tables will be removed until we find a suitable expandable table)
- moving archival music to the lower level
- replacing built-in cabinets with new, more efficient Ikea cabinets to match the existing Altar Guild cabinet.

If you have any questions or ideas please contact the Wardens.
